BY ELECTION SPECIAL

LOCAL CANDIDATE SELECTED FOR WHARTON

On 4th March there will be a by-election for Wharton on Winsford Town Council.

At the moment there are 7 Labour Councillors and 7 Liberal Democrat Councillors on the Town Council. We believe it is time to see what a local Conservative with ideas and ability can do for you.

It really is "Time for Change!"

Dr Michael Baynham has been chosen to be your candidate.

- Michael lives in the Ward and will continue to do so.
- Michael is a Winsford man by choice. He believes that the town is a good place to live and he would like to see it get even better.

Dr Michael Baynham, Wharton resident for Wharton Ward

- Michael will work with your Conservative member of parliament, Stephen O'Brien and with members of Cheshire West and Chester Council which is Conservative run.
- Michael is a governor of Leighton Hospital

MICHAEL SAYS...

Michael Baynham says, "I want to work for you. I live in the community and I believe that it can be even better. Labour has let us down and, sadly, the Liberal Democrats have let them. Now is the time for change. This is the year the country can change and it needs to!

If you vote for me on the 4th March you will be giving me a chance to show what I can do for you. I want to work with you and for you".

Vote **Conservative** for a better Winsford on 4th March

Conservative commitment to the NHS

- We will make sure the NHS focuses on the results of your treatment, not box-ticking and targets.
- We will put patients in the driving seat - you will have the right to choose your GP, your hospital and even the consultant responsible for your care.
- We will tackle the spread of hospital infections and end the scandal of mixed-sex wards.
- We will restore access to an NHS dentist

WHAT WOULD A CONSERVATIVE GOVERNMENT DO?

- We will freeze Council Tax for two years and allow local residents to veto high council tax rises
- We will raise basic state pension in line with earnings.
- We will scrap Stamp Duty for first time-buyers on homes up to £250,000.
- We will give councils greater control over licensed premises where anti-social behaviour is a problem.

Michael's Promises

If you elect me I promise:-

- I will listen to you. When you tell me about an issue I will do what I can to see that the matter is given proper consideration.
- I will report back to you. I will work with colleagues and friends to keep you informed of the things I am doing on your behalf
- I will work for ALL Wharton residents
- I will do my best to ensure that the Town Council lets you know what it is doing and how it is spending your money.
- I will be part of a team working for you. Our MP is Conservative and Cheshire West and Chester is Conservative run so I will use my contacts with them on your behalf.

WHATEVER HAPPENED TO PRUDENCE?

Gordon Brown has brought Great Britain to the brink of bankruptcy – and future generations will pay the price for his reckless borrowing.

- **Now, every child in Britain is born with £17,000 of debt.**
- **The average person will have to work four extra years to pay off their share.**
- **The interest on the debt alone will cost every family £2,000 a year.**
- **The Government will soon be spending more public money on debt interest than on educating our children.**
